

Apothecary Assistant Job Description

Free Verse Farm & Apothecary • Chelsea, Vermont

We are seeking an apothecary assistant to work one day per week in our farmhouse apothecary. We produce herbal tea blends, culinary blends, and herbal remedies and body care products made largely from herbal ingredients that we grow ourselves on our small hill farm.

The position will mostly consist of packaging and labeling our products, as well as assembling orders to ship out. You may also assist with the crafting and blending of our products.

For this position, we are seeking someone with:

- Very strong attention to detail.
- Self-motivation, ability to work independently, and a willingness to do repetitive tasks with a smile.
- Experience with packaging, product-making, and food safety is a plus, but not required.
- Interest or experience in herbalism is a plus, but not required.

Other Details:

- This position is for one full workday, either weekly or every other week, depending on our needs.
- Wage: \$11.00/hour.
- The apothecary assistant will receive a 20% discount on all our herbs and apothecary products.
- This position has the opportunity for growth in terms of hours, wage, and responsibilities as our business continues to grow.
