

Greetings

-----!

You have been bequeathed a **Tea Share** as a gift from

-----!

Lucky you!

Your Tea Share is a year-long subscription box delivered to you four times per year. In each share, you will receive two of our farm-grown teas catered toward the upcoming season.

We grow most of the ingredients for our tisane (herbal tea) blends ourselves, though we occasionally blend with organic herbs we source elsewhere, as well as organic & fair-trade black and green teas. Each share also includes a special “art treasure” for you to enjoy, because not only are we farmers, we’re artists too!

What's included in your membership:

- 2 bags of loose herbal tea per share
- 4 shares per year: Spring, Summer, Autumn, Winter
- A small work of art/treasure in every share

Other benefits include:

- 10% off all purchases over \$50 at online (with exclusive promo code FARMSHARING)
- The knowledge that you’re supporting small farmers AND your health by imbibing delicious herbs tended with loving care!

We look forward to sharing our love of herbs with you for the next year.

Please don’t hesitate to contact us by phone (802-685-3174) or email (thefarmers@freeversefarm.com) with any questions.

Warmly,
Taylor + Misha
